

MAGNUM

TOURING FOR 2 SEMI OFF-ROAD OR FULL OFF-GRID

JUST FOR TWO.

No bunks here! Our Magnum range has been designed for two to hit the road for caravanning adventures with the extra space that comes from a well-designed touring caravan built for two.

The ability to create a unique caravan designed to suit your taste, with all the space you would need to enjoy even the longest trips away from home our Magnum range has purposely been designed with plenty of options and the flexibility to add your own custom touch to a touring caravan that will see you both enjoy many trips for years to come.
